

Prayer Letter  
Jan - Feb. 2026

# The Joshua McClure Family

Serving in the Northern Mariana Islands

Dear Faithful Prayer Warriors,

This prayer & update letter comes late due to some bad sickness that incapacitated our family for about 3-4 weeks from the end of February through much of March. I apologize for the late update but thank the Lord, we are all doing much better now & traveling again. We have been on furlough for about 8 months reporting and raising additional support. Since we began visiting churches at the end of July 2025 our family has been in 60 different churches; 3 ladies' meetings; 2 vacation bible schools; 2 camps; 2 couple's retreats; 2 revivals; 1 men's retreat; and have slept in at least 41 different places that I can count. We have led or participated in helping lead 9 people to saving faith in Jesus not including my eldest daughter, Melody Grace. We have traveled over 17,000 miles through 25 different states. Through our many appointments & drop-ins, we have had 1 church stop supporting us and gained 4 new supporting churches: 1 church has lowered their support, and 4 churches have raised their level of support. While we have several churches excited to take us on for support at some point in the future, our current support level is 68.7% and still has a bit more to go before we can return to Saipan. We have had a total of \$10,815 given for a church van to either take back to Saipan with us or buy when we get there.

Praise the Lord for answering prayers. I asked all of you to pray for our kids' dental check-ups and God has answered and provided! We owe \$0 because of 1 individual who made 2 appointments for 3 cavities/fillings and 4 kids' cleanings. Thank you, and thank the Lord! We know He will repay this persons thoughtful generosity. How can we express our gratitude to all of you for your faithful prayers that are making a difference?!? Know that we are thanking God for you & His working in and through y'all.

Gratefully Serving Our Lord,  
Joshua & Amanda McClure
